

Lalor North Secondary College

Year 7 Enrolments 2021

Hello,
Come and experience 'Future-focused Learning with us'

At Lalor North Secondary College staff and families work to cultivate a caring school community that takes pride in our students, their learning, their extra-curricular activities and their achievements. We have enhanced our approach to learning and teaching, home study and student behaviour. The College's relationship with parents/carers and students is collaborative and genuine.

A College Where Every Student is Nurtured

Our Year 7 Transition Program develops a solid foundation for learning, friendships and a sense of belonging.

Lalor North Secondary College provides all students with a sense of comfort; our Home Group Structure and Wellbeing Program help us to facilitate this. By the beginning of Year 7, they will have met with key staff members and peers through our Orientation Program and Parent Information Evening.

We encourage our students to pursue their dreams and goals, and provide many opportunities to cultivate their interests and aspirations with the support of our experienced teachers and dedicated staff.

Deep Learning for Students at Lalor North Secondary College

At Lalor North Secondary College, we are committed to providing our students with a balanced and well-rounded curriculum. This, along with our focus on 'Deep Learning through Inquiry' and 'Future-focused Learning' prepares our students for the challenges and opportunities that lie ahead of them in the Senior School and beyond. We aim to provide our students with a course that will ensure they can excel in their field of choice and secure a positive future.

The Year 7 Curriculum is streamlined to give every student balanced and exciting learning opportunities. Students study a core curriculum of English, Mathematics, Humanities, Science, Health & Physical Education and Italian or English as an Additional Language (EAL). Students also study Wood Technology, Food Technology, Textiles, Art and Drama as part of a technologies and arts rotation.

Highlights each year include our Year 7 'Writers Festival' where our students are able to showcase their creative writing and accompanying art work for parents and carers. Towards the end of the year, the Music Department hosts a 'Big Night Out' where students from Primary Schools within our community come together to join with our students at Lalor North Secondary College to showcase their musical talents. We also give students the opportunity to work with our curriculum partner, Whittlesea Technical School in using an Innovation and Design Process to create prototypes to solve problems in the real world.

Please contact the school on 9401 3888 for further information.
